Report of School Board.

The past year we have had our schools open for thirty-one weeks, and with the exception of one school, the work done has been very satisfactory to the board.

We have maintained the graded schools at the Ridge, and have divided the work at the Narrows among three teachers, instead of two, as formerly.

The third room was added there as directed by the district and the building put in an excellent condition. We believe by the results shown, that these changes in our educational system are wise, and are leading to an increased efficiency in our school work.

We wish to call particular attention to the fact that Mr. Morrison, the State Superintendent of Public Instruction, came here and, after a most careful examination of the situation, commended in the highest terms the work we were doing and granted to the District aid from the equalization fund to help carry it out. He recommended, however, that the Mountain school be closed, and that some means be provided for bringing the children to the Ridge.

We wish to recommend again that the district take means to employ a superintendent of schools, so that they may have proper supervision.

We wish to express to the teachers our heartiest commendation for the work they have done during the past year, and for the cordial co-operation they have given the board in their endeavors to build up our schools.

Roll of Honor.

Two hundred and fifty-six books have been added to the library the past year.

The books at the Centre and Narrows have been exchanged recently, so the even numbers, except reference books, will be found at the Narrows, and the odd numbers at the Centre.

About thirty books will be taken to the Ridge and kept at the Knowlton library for about two months, then returned and others taken out; also thirty books will be

taken from the Knowlton library and placed in the other libraries for two months. By these exchanges we hope to better accommodate the public.

The average number of books loaned per week during the last year are as follows:

Knowlton Library, at Ridge,	23
Centre,	21
Narrows,	25

Respectfully submitted,

ORRIN M. JAMES,
GEORGE U. FISKE,

Trustees.
